PENDING APPROVAL

****PLEASE**** Tell customers that proper care is essential to using Racedots. We recommend they Visit www.RaceDots.com for proper use and safety information as well as "How To Use" videos. We suggest you tell customers to not let magnets snap together without something in-between as the ring magnets are more strong than durable and they may break if not properly handled. Broken ring magnets are not covered by our warranty. They can be purchased online. We also recommend using two on top and one on bottom unless it's really windy (easier to manage).

We recommend cutting the packaging on 2 sides to re-use it to keep Racedots safe and accounted for. Do not store Racedots stacked. An empty Altiods tin works great for storage.

|--------------|
| TERMS |
|--------------|

All orders require payment upfront. All shipments for stock Racedots will be shipped within 5 days of payment. Custom orders ship 3-5 weeks after payment is received. RaceDots guarantees its product against manufacturer defects for 6 months. Racedots will not replace broken magnets unless returned in unopened packaging. Keep out of reach of children. All magnets pose a risk to electronics, phones, cameras and credit cards. Please notify your clients of Best Use practices detailed on www.racedots.com and on the back of all RaceDots packaging. Please contact us for payment via credit card. An additional \$15 USD is required for payments by wire. Please contact us if there are any discrepancies. +1-703-298-3549 jberr@racedots.com www.racedots.com
